Daily Digestive Care Just Got More Flexible

Your diverse practice has specific needs, and we've formulated the new **Ultimate FloraMax 30 Billion** to offer your clients the dosage flexibility you've asked for without compromising Advanced Natural's recognized quality. Ultimate FloraMax 30 Billion is ideal for those just beginning a daily digestive care regimen or seeking a general daily maintenance probiotic. Our newest formulation is based on a 3:2 ratio of Bifidobacterium to Lactobacillus cultures, as seen in our Ultimate FloraMax 50 Billion.

Effective and Cost-Friendly

- Helps replenish essential Bifido colonies that decline as we age in a balanced, easy-dose formula.*
- Recommended to help mitigate mild to moderate digestive irregularity, relieve occasional constipation and diarrhea, and optimize intestinal immune health.*
- An adjusted potency probiotic for those without acute needs at a cost-friendly price.
- Can be used for younger patients who need more probiotic support.
