FloraMax is a daily maintenance probiotic formula that can be used by anyone who wants to support optimal digestive health.*

FloraMax features 7 strains of beneficial microflora. Bifidobacteria are the most prevalent friendly bacteria in the large intestine, or colon. Lactobacilli are the most predominant beneficial species in the small intestine.

Added Digestive Support

FloraMax's added ingredients promote a balanced intestinal environment.* L-glutamine and N-acetyl D-glucosamine (NAG) nourish and support a healthy intestinal lining.* FOS promotes the growth of beneficial bacteria in the digestive tract.*

Full Spectrum Probiotic

FloraMax does not use delayed release capsules so that the health-promoting probiotics and amino acids can be active throughout the entire digestive system.

Capsules can be opened to enhance probiotic benefits to oral and esophageal health.

Available in 60ct. & 120ct.
