Organic Total Body Detox 1 uses whole herbs long known to support the liver, lungs, lymphatic system, kidneys, skin and blood.\* These cleansing herbs support the natural detoxification process of the body.\*

### Part 2: Capture with Organic Fiber Blend

Organic Total Body Detox 2 is a blend of organic oat bran, flaxseed and acacia fiber. Fiber is a critical component of colon cleansing, as well as organ detoxification and purification.\*

### Part 3: Eliminate with Organic Colon Cleanse

An effective blend of organic rhubarb root, slippery elm, fennel and marshmallow helps to promote the needed elimination from the colon.\* Organic slippery elm, fennel and marshmallow help to soothe and comfort the bowel.\*
