

KIDS' PRODUCTS

KidLAX™

KidLAX is a gentle colon cleanser for the relief of occasional constipation.* KidLAX is a natural approach to the occasional constipation that kids sometimes experience. KidLAX is made with herbs, dried fruit, fiber and probiotics.

KidZYME™

KidZYME is a natural digestive enzyme formula for children. To support healthy digestion,* you can give your child enzymes with every meal. KidZYME is a formula that supports your child's digestive health with probiotics and 2 critical amino acids: L-glutamine and N-acetyl D-glucosamine.* These amino acids help to maintain a healthy intestinal lining.* KidZYME comes in tiny capsules for easy swallowing.

FloraBABY™

Infants receive their first beneficial bacteria during the birthing process. Supplying additional beneficial bacteria throughout the early years can support overall digestive and immune health.* FloraBABY™ provides 5 strains of beneficial bacteria specifically chosen based on their prevalence in the digestive tracts of infants and toddlers, including B. infantis, the most important strain of beneficial bacteria.

KidLAX™
